School board's letter to students

St. Albert Protestant Separate School Board sent a letter to Sid Allen, president of the Paul Kane Students' Union, and Brian O'Toole, student elect, as a result of a meeting between students and the board last week regarding a student protest rally of the week previous.

Students had charged that certain teachers were being pressured into resigning and claimed that there was a bad learning environment at the school.

Text of the letter follows: There are many factors which affect the educational process in a high school: staff, students, administration, the physical facilities, program offered, the extra curricular activities, and many others.

Over the years the board has been very proud of the many accomplishments of the Paul Kane students. Some of these are:

Grade IX and XII departmental results have been consistently far above the provincial average; Various matriculation scholarship winners;

Winner in the Edmonton Regional Science Fair last year;

First prize winner in the Canada Wide Science Fair Competition held in Regina this year;

Volleyball, basketball, track and field; Edmonton and regional Muk-Luk winners;

Last year the best actress award in the drama festival; Business education Victor Comptometer winner;

The Reach for the Top Team came in second a few years ago; etc.

I would like to reiterate and elaborate on the comments I made at the opening of our meeting Wednesday,

June 11. While you did follow the established lines of communication, there was no need to take the rest of the day off as a holiday. Student involvement in school affairs will be dependent on the responsibility and maturity of their actions in the future.

Because of the lack of constructive and definite points raised on any of the comments made at the June 11 board meeting, such as, "the school being rotten to the core, a poor educational climate, and lack of communication," etc., your board is having difficulty defining the specific areas of the students concern, and is, therefore, proposing the following course of action:

(a) that the administration of Paul Kane, attempt through the Students' Union, to determine these areas of concern, and

(b) in a notice of motion of May 15, 1969, since approved, that the board request

opinions and/or suggestions of the administrator's council on ways and means of including student group representation on one or more of the district committees which report to or advise the board. I would ask you at this time for your recommendations.

May we have your co-operation in assisting the administration of Paul Kane and the board with regard to the above mentioned points.

I would like to assure all students and parents that every teacher in our district is fairly evaluated; such decisions are made very carefully. The School Act and the Alberta Teachers' Association also safeguard the rights of every teacher. The board is considering no further actions with regard to past decisions on staffing at the Paul Kane High School.

Charles E. Schroder, Chairman.

Mayor may close Sanctum temporarily

The Sanctum teen centre will probably be shut down temporarily, Mayor Ray Gibbon said Tuesday night.

He said he felt the whole thing had to be recognized with probably town staff taking a greater hand in things.

The mayor, Elmer Harrison and Ron Jacques, a member of the Kinsmen advisory committee, met with three teen centre members Tuesday night.

The mayor said the club didn't have a complete committee and he felt the club was operating for the benefit of possibly 40 people.

He said he was not sure the centre should hold dances, as it was set up mainly as a coffee house and recreation centre.

He said there was some trouble at the dance on Saturday night, but no more than usual.

Mayor Gibbon said the fault for the failure of the centre could not all be placed on the teens. He felt the town and the advisory committee would have to share in the blame.

He said he hoped to have the teen centre open again later in the summer.

Long-range planning on recreation needs sought by council

The Town of St. Albert recreation committee will be asked to draft a long-range plan with respect to the provision of sites and construction of adequate facilities for sports and recreation.

The move, arising from a finance committee meeting, was unanimously endorsed by council Monday night.

The committee will be asked to look into the provision of outdoor skating rinks and hockey rinks; covered skating rink with artificial ice plant; outdoor swimming pools; covered swimming pools; baseball and softball diamonds; cinder track to Olympic standards; wading pools; football and soccer field with bleachers.

R. G. Wheatley, finance chairman, said in his recommendation that the object of the plan is to prevent the hasty piecemeal consideration of neighbourhood and town facilities and the continual difficulties with respect to sites and means of payment.

He said it should ensure that as the town grows that each neighbourhood should have the recreational facilities of an average standard for urban communities in Alberta.

In the event of any proposed annexation by the City of Edmonton, the committee felt it would be wise to have these facilities prior to such possibility.

Councillor Robert Russell said he feels council has a responsibility to provide a covered arena. He said the

cost of the Medicine Hat arena had turned out to be more than he had at first thought it to be.

Mayor Ray Gibbon said he would be happy to entertain suggestions of another money bylaw. Councillor R. G. Wheatley backed the idea, saying maybe not so many people would come out against it this time.

The town has \$75,000 waiting to be spent but can't use it yet because the Forest Lawn replant has not been completed to allow for the site on Sir Winston Churchill Avenue and the amount is not enough to complete a building.

Council was informed by Secretary-Treasurer Dan O'Connell, however, that a money bylaw could not be held as no provision had

been made for funds for the arena in the estimates okayed by the Local Authorities Board.

Councillor Russell reported to council that he had received some complaints from residents in the area about happenings within and without the swimming pool confines.

He said he had been informed that there was a high degree of noise coming from the pool after the time it was supposed to be shut down.

He said he had also received complaints that there were undesirable elements from outside St. Albert hanging around in the area outside the pool.

Mayor Gibbon said he would have the matter looked into.

Their bikes made money

Three St. Albert youngsters won \$5 prizes for having the best-decorated bicycles in the Rodeo Parade on Saturday.

Catherine Holden of 19 Gladstone Cres. won the prize in the fancy class; Lyle Sparks of 361 St. Albert Trail won the prize for the most comical entry; and Mark Cunningham, 55 Mission Ave., won the prize for the most original.

The contest was sponsored by the St. Albert Kinettes.

Bunky, the clown, scarcely manages a smile as he sits astride his dwarf Brahma bull. Bunky and the Brahma put on a little act but his derring-do when the big Brahmas were firing cowboys right and left won the most applause from the audience.

Ball meeting

There will be a meeting of coaches in the St. Albert Lions Club Little Canadian Baseball program at the clubhouse at 9 on Thursday night. All-star teams to represent the leagues in the provincial playoffs in Edmonton will be set up and a method to determine a St. Albert champion from among the three leagues will also be devised.

Gazette on holidays

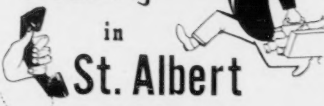

The Gazette will not be published on July 9th and July 10th while staff is on holiday. Mrs. Ethel Ward will be in the office Monday through Friday from 10 a.m. until 4 p.m. during this period. News and advertising items for the July 23rd issue may be brought in, telephoned or mailed. There is also an envelope on the front door for depositing news items after hours.

Thank you

The Kinsmen Club of St. Albert wish to thank all the residents and merchants of St. Albert who supported Kinsmen Rodeo 108.

the Gazette REFLECTS

The members of the Alberta Fish and Game Association are to be congratulated on the strong stand they are making for the preservation of wilderness areas in Alberta. They are presently making arrangements for discussions with the provincial cabinet on four specific points:

- (1) The unwise use of our wilderness areas,
- (2) The fact that no adequate legislation exists to control coal mining, particularly strip mining, in mountainous areas,
- (3) The loss of wild life and water sheds,
- (4) The fact that the use made of wilderness areas by tourists and nature lovers is not being considered.

This is not a matter of either we have wilderness areas or resource development. Alberta has plenty of room for both. The developers must be made to go to other areas than those set aside as wilderness, or future generations will be in real trouble. As Mr. Peel, president of the Alberta Fish and Game points out "with every encroachment within a wilderness area, another piece of our outdoors is lost forever."

The Social Credit government, in power since 1935 with a consistently strong mandate from Albertans, has been in an excellent position to pass and enforce legislation to protect our wilderness areas and maintain high standards of conservation practice in all of its aspects. Yet growing numbers of our citizens are expressing increasing concern over the pollution of our air and rivers, defacing of mountainous areas such as Crownstee Pass and Forestburg and the slicing away of our wilderness parks, as is going on in Wilmore Park.

Strong public support is needed by the Fish and Game Association in their present drive for protection of wilderness areas. A phone call or letter to your MLA to let him know how you feel, is a good way to get involved in a situation which threatens all Albertans.

SAM students get classes outdoors

Fifty students from Sir Alexander Mackenzie School will travel to Goldsboro Lake Camp on Saturday for three days of study in the outdoors. Forestry service officials will provide field trips to fossil beds and into surrounding areas.

Rod Thronson, principal, said it was the first time a class at the school had taken such a trip.

"We'll try it out and see how it works," he said, adding that a decision on whether there would be others would depend on evaluation of the trip.

About 25 of the students will be from Mrs. Betty O'Keefe's Grade 6 class. The rest will be from Grade 7. Mrs. O'Keefe, Ken Hardy and another teacher, as yet undecided, will accompany the students, who will be travelling by bus.

The camp is sponsored by the Farmers Union of Alberta but is supervised by the forestry service.

PROTEST ROADSIDE SPRAYING

The Athabasca Fish and Game Association has sent a letter to the Alberta Fish and Game protesting indiscriminate road spraying. The Athabasca group is concerned about the effects of spraying trees along the roadsides, on the nesting places of a great number of prairie and prairie chicken. They wish to have a study made by the Provincial Fish and Game Association on proper spraying techniques to eliminate the hazard to upland game habitat.

St. Albert couples renew marriage vows

June 14 proved to be a very memorable day for two St. Albert couples.

Celebrating their 25th anniversary, Mr. and Mrs. Allan Houle, 40 Birch Drive, and Mr. and Mrs. Bruno Houle, 21 Madonna Drive, renewed their marriage vows at a mass said in their honor at the Roman Catholic Church by Rev. Colin Levangie.

Armand Savole and Mr. and Mrs. Donat Thibert, bestmen and bridesmaid at the double wedding 25 years ago, were in attendance as were many friends and relatives.

Mrs. Nora Robinson, the other bridesmaid who is now living in Vancouver, was unable to be present.

Following the mass 125

guests gathered in the church hall to extend their congratulations to the couples and enjoy an evening of dancing.

At midnight a buffet supper was served and a gift of silverware was presented to both couples by Armand Savole on behalf of all present.

Father Levangie, representing the parish, extended his congratulations to which both grooms ably replied.

Telegrams from relatives and friends in Prince Edward Island and Saskatchewan were received.

Father Gaudet, officiating at the wedding 25 years ago, was unable to attend because of ill health.

Out-of-town guests attending were from various parts of Saskatchewan, B.C. and Alberta.

Pirates, Braves to meet in final

The Braves won a berth in the final of the Sturgeon division of the St. Albert Lions Club Little Canadian Baseball League on Monday night, defeating the Senators 11-8.

It was an uphill battle for the Braves, who had dropped the opening game of the series 10-1. They trailed 9-4 going into the final inning of the second game when they rallied for six runs to stay alive.

Senators had finished in first place in the regular schedule and the Braves were third.

The Braves will now meet the Pirates in the opening game of a best-of-three series at St. Alexander MacKenzie School at 6:30 tonight.

Pirates, last year's champions, had won a berth in the final by defeating the Dodgers 11-7 and 27-5.

In the Mission League tonight the Reds will play the Astros and the Expos will

play the Oilers. Both will be final games of best-of-three semi-finals.

In the Grandin League, the Angels and Red Sox will tangle Thursday in the second game of their best-of-three final. Angels won the first game 6-5 Tuesday.

Angels had taken out the White Sox two straight in the semi-finals while the Red Sox steeled the Cardinals in a set that went the limit.

CALLER SYD DEGUIRE
... keeps square dancers moving

Square Dance Club closes for season

The St. Albert Saints and Sinners Square Dance Club held its final dance of the season recently in the Albert Lacombe school. The club held a party centered around a Mexican theme.

More than 100 people came from the St. Albert area, Hinton, Duffield, Westlock, Barrhead, Evansburg, Namsa, Fort Saskatchewan, Vermilion and Edmonton. The dancers enjoyed the calling of Syd Deguire of St. Albert.

A light lunch after the dance was followed by an After-Party. Guests were treated to the singing of Syd Deguire, Iris and Cyril Jenkins, Myrtle Walls and Joyce Kelly, the dancing of Juanita and Gordon Main, a monologue by Neil Johnson and the Special Six with a Laugh-In routine.

The evening ended with the breaking of the traditional Mexican Pinata and a scramble for the candy and peanuts that it contained.

Anyone wishing to join the square dancing club should call at 999-8086 for information. The club will resume activities in September.

Creative school society

Through hard work and considerable expense the St. Albert Creative School Society obtained permanent quarters last year.

But it by no means considers that it is at the end of the work and expense road.

Mrs. Barbara Munro, president, in a year-end report calls on the society to now look to improving the facilities from the standpoint of finishing details and construction of more shelving and storage.

The building was erected last year with the assistance of members of the crafts guild and town staff. The society has a five-year lease with the town.

Mrs. Munro outlined the program of the past year. She said there was full en-

rollment in both the nursery school and kindergarten classes, with an afternoon class operating for the first time.

Parent-teacher interviews were held in November and again in June and evaluation forms were prepared for the benefit of Grade 1 teachers.

The classes made visits to the Centennial Library, the Planetarium and the fire hall in turn the class was visited by the fire chief, a member of the RCMP and a dental hygienist from the Sturgeon Health Unit.

By arrangement with the crafts guild the children had use of the clay room and parents have seen tangible results of their creativity. During the year parties

were held for the children at hallowe'en, St. Valentine's Day and Easter. Parents were invited to the Christ-

mas concert and the closing field day at Lions Park. The society has had an information brochure printed which is being distributed by the Sturgeon Health Unit to all parents of four year olds at their pre-school screening.

Out-of-town entries win parade honors

The Edmonton Girls Drum and Bugle Corps was judged best over-all entry including bands at the St. Albert Kinsmen Rodeo 108 parade Saturday morning.

There were 77 entries in the parade, including 11 bands, 35 floats and several horse and antique car entries.

The Edmonton Strutters band was judged best marching group by Judges Roy White, secretary-treasurer of the St. Albert Protestant Separate School Board, and Chris McDowell, his counterpart with the Public School Board, and Mrs. McDowell.

The Edmonton city police pipe band was judged best band.

Prize for the best horse entry went to the Edmonton

Klondike Posse and Musical Ride.

The best car entry came from Morinville where a two-car comedy team advertised Frontier Daze, the town's annual celebration which comes up this weekend.

The Village of Legal won the prize for best float.

Several clowns worked the parade route and they included Roger Gellinas, a former resident and noted Edmonton sportsman, and a group of youngsters organized by 16-year-old Steve Harvath of 9 Sunnyside Cres.

The Klondike Kids Motor Patrol handled communications for the Kinsmen during the parade, running messages on scooter.

Malcolm Jones of Vauxhall won the Bruin Inn Saddle as the all-around champion cowboy at the St. Albert Kinsmen Rodeo 108 at the weekend.

Jones picked up most of his points in the bareback riding event, placing first in the first go-round and third in the second.

The all-round title goes to the cowboy collecting the most points in two events—one scored and one timed.

Jim Gladstone won the Ross Truck Service Ltd. Silver Buckle as high point champion. He scored heavily for winning the calf roping event, which also gave him \$433.50.

Happy Tegart of Invermere, B.C., edged Jones in total points in the bareback event but they both came out with the same amount of money, \$238.50.

Attendance at the rodeo was down considerably from 1968. This year 12,518 people came through the turnstiles compared to more than 16,000 last year.

A former St. Albert resident, Larry Petherbridge, split top money in the ball-riding event with Rocky Rockabar of Medicine Hat. Each pocketed \$306.25.

Mel Hyland of Port Kells, B.C., saddle-bronc riding event, finishing on top in the first go-round and second in the final. He collected \$343.50.

In steer wrestling, Arnold Haraga of Skiff posted the best average time and collected \$310.50. He was first on the first go-round and fourth on the second. He was the only cowboy to place in the top four in both go-rounds.

Pat McHugh of Dewinton won the wild-cow milking event picking up \$161 in prize money.

Tweyla McLean of Calgary finished with the best average time in the ladies barrel race even though she never finished first in any of the four go-rounds. She had two seconds and two thirds and picked up \$81.

Francis Church won two of the go-rounds and also had a fourth to finish third in average. Ingrid Hewitt won the other two go-rounds but didn't even place in the first four in average.

COURSE DESIGNER NIELS HOVEDSKOV TRIES HIS HAND

Miniature golf course feature of Lions Park

A nine-hole golf course has gone into operation in St. Albert.

Less than 100 yards long, it's about as tough a course as any duffer will want to encounter.

The miniature golf course is the brainchild of Niels Hovedskov, chairman of the parks committee with the St. Albert Lions Club, and is naturally situated in Lions Park.

It is complete except for the painting, which Niels hopes to have finished in time for the official opening of the park for this season on Saturday.

The official opening will have plenty of hoopla as be-

sides the unveiling of the miniature golf course, the Lions 10-miles Walkathon will be held in conjunction with it.

The official opening ceremony will take place about 3 p.m.

Niels adopted the miniature golf course as a project when he took over as parks chairman last year. Only a two-year member of the club, Niels took on the job with zest and the idea for the miniature golf course came when he was discussing park use with another member.

Niels began work on the design immediately and had

it completed before Christmas. The real thing was constructed by Niels and many other Lions working evenings and Saturdays the past few weeks.

Although Niels went into Edmonton to look over a miniature golf course, he knew he couldn't build anything like it.

"It's not possible," he said, "because the park isn't supervised. We had to eliminate pretty well anything that a golfer could shoot into because vandals might come along and knock it down."

So he designed his own course, one that called for iron and concrete as the main ingredients in construction.

"The general structure is quite rough, nothing fancy," Niels said, adding that paint will brighten it somewhat.

What is the course like to play? It's tough. Just ask Niels.

"I've played it," he said, "and it's very tough. I would have liked to have it a little easier."

"Kids are playing it, though, and they seem to like it. They appear to like the challenge. And with kids, they'll find a way to beat it."

There is still a little leveling off to do as there are a few spots where the ball can get trapped.

There have been a few other improvements at the park that bear mentioning also. Four new picnic areas complete with tables and stoves have been opened up. There is also one big open fire pit that groups can use.

A new set of swings, large ones for older children, will also be put up shortly. They are being built by Lion member Gerry Le Blanc. They will be put up in the play area but away from the existing swings.

St. Albert children in language school

Garth Peterson, 1 Swallow Creek, and Frank Phillips, Edmonton, cut the ribbon to open officially the Evelyn Unger School for Language and Learning Development Friday afternoon.

"I have a special reason for interest in this school," said Mr. Peterson, president of the Language and Learning Development Association. "My daughter is enrolled here."

Then, on behalf of the parents, he paid tribute to Mrs. Abe Unger, founder of the school, presenting her with a bouquet of red roses.

Mr. Phillips, who handled the scissors with Mr. Peterson, is president of the Alberta Council for Crippled Children and Adults.

C. S. Schroder, chairman of the St. Albert Protestant Separate School Board, was among the official speakers.

"Every child should have an education," said Mr. Schroder, "and every child needing this type of educa-

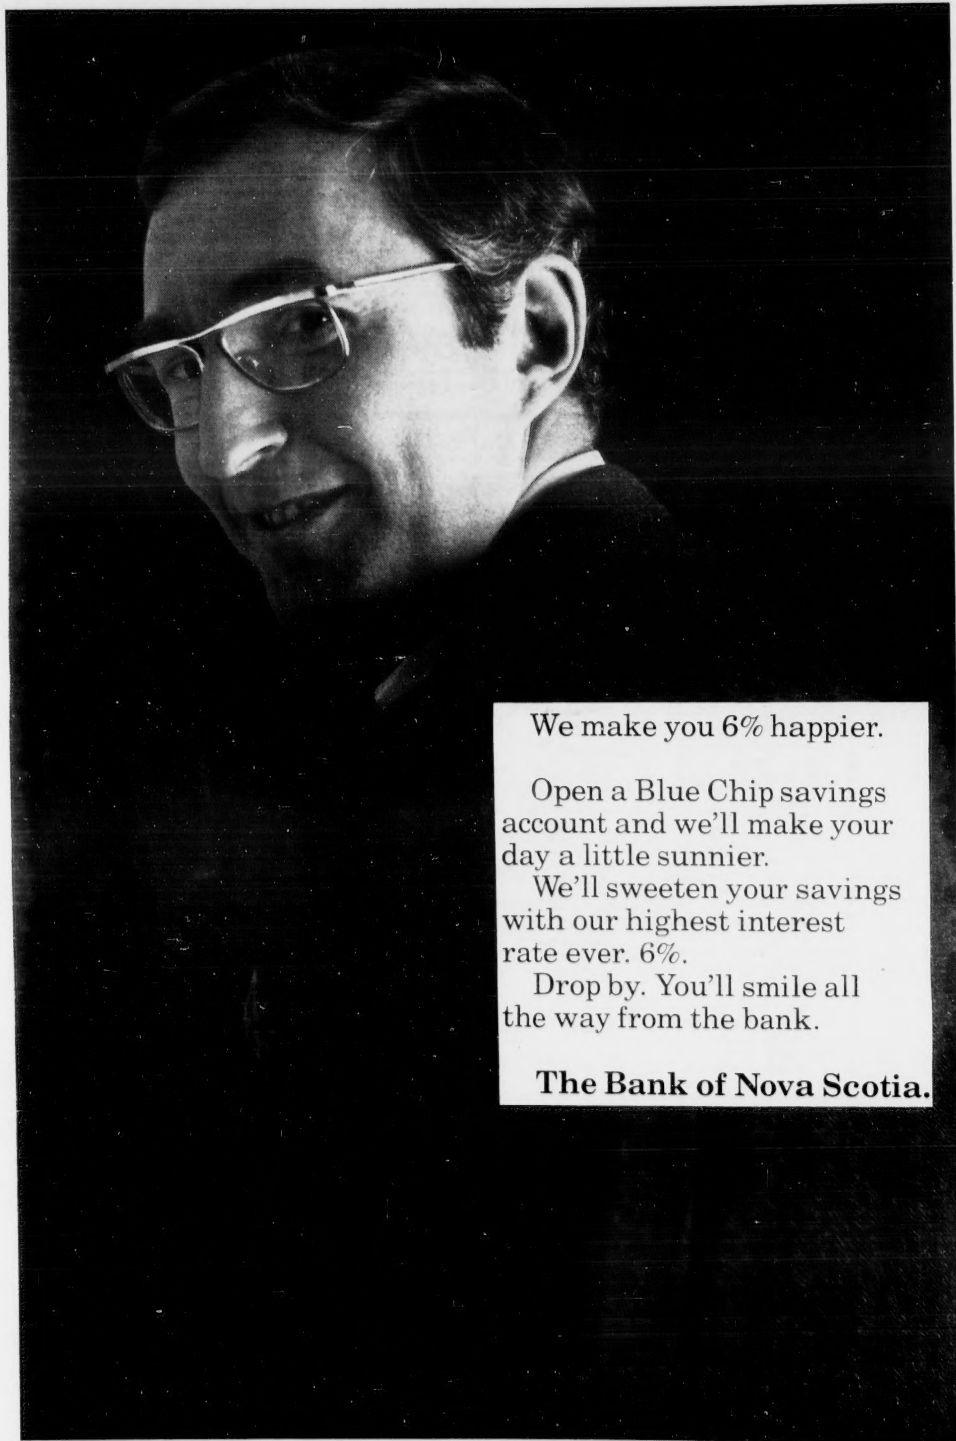

tion should have it." He congratulated Mrs. Unger on the undertaking of the school.

The Evelyn Unger school, for children with language and visual perceptual learning handicaps, has renovated the former Argyle Baptist church at 6755 38th St. It settled here in January, 1969 the middle of its fifth term, after three temporary locations.

Five of its 50 pupils are from St. Albert. Two more have been integrated into St. Albert schools.

Babysitters

Some names were inadvertently dropped in last week's issue of The Gazette, from the list of graduates for the baby-sitting course sponsored by the local chapter of the Alberta Association of Registered Nurses. They were Steven Bradley, Yvonne Brostrom, Wilma Brunink, Dulcie Page and Cathy Pederson.

All roads lead to Morinville

To hear Morinville residents tell it, all roads will lead to their little hamlet this weekend.

And before you get carried away with laughter, do a second take.

It's the season in Alberta when rural points hold their annual celebrations and this weekend, June 28 and 29, the residents of Morinville will present their special thing—Frontier Daze.

Getting bigger and better every year, it has been drawing people from Edmonton and district and many former residents also return to take in the fun.

The show this year will get under way Saturday morning at 7 a.m. with a free bonanza breakfast. Bacon and pancakes will be served until 9:30.

The parade will start at 10:30, with Hon. Raymond Reiteron as marshal.

This midway will open at 11:30 with many rides for the children, concessions and novelty games.

An eight-team baseball tournament will start at noon and the horseshoe tournament, the mayors shoot-off and the fashion show will start at 1 p.m.

There will be a slave auction at 4:30 where 25 hardy citizens will be auctioned off in balls and chains.

There will be two big dances Saturday night—one for the teens and another for the adults.

Visitors will have no problem finding food on the weekend as besides the concessions on the grounds there will be the international foods open at noon on Saturday, a pit barbecue will be the supper treat and Sunday supper will consist of Fried Chicken and

pan fried potatoes.

Two of the main events on Sunday will be a demolition derby at 1 p.m. and parachute jump at 4:30 p.m. The baseball tournament will also conclude Sunday.

Morinville's citizen of the year will be named in the evening.

"Funny, isn't it, Pop, how everyone is some kind of animal."

"What do you mean?"

"Well, Mom's a deer, the baby's a little lamb, and I'm a kid. But I can't think... what are you?"

"I'm the goat, Son?"

As the ship was sinking and the lifeboats were being lowered, the captain shouted: "Women and children and those on the 'go now, pay later plan,' first."

Frost causes damage

The frost that swept through the district last week was so severe that it destroyed plants at the St. Albert Greenhouse Ltd. that were covered with heavy cloth.

A spokesman said everything that was considered to be tender was covered but in many cases the covering failed to do the job.

Heaviest loss came in tomato plants.

The spokesman said even

plants that were right up against the foundation of the building suffered some damage.

No estimate of the loss has been made as yet.

Many St. Albert housewives were in tears when they awoke to blackened gardens. Some had covered their plants with plastic, a no-no when it comes to frost as it gets as cold underneath as it does on top because the moisture can't escape.

Congratulations to the Legal group that appeared on the Noon Show last Monday to advertise the Legal's Fete au Village annual celebrations to be held on July 26-27. Those who attended are: left to right, front row: the candidates Susan Hunting, Cecile Proulx, Irene Tieulle, Mile Fete au Village 1968 - Lorraine Brisson, Gertrude Lutz and Rita Krauskopf. Back row: Leo Mauricie, Father Martineau, Mrs. Nazaire Lessard, Mrs. Maurice Montpetit, Mrs. Marcel Dube, Mrs. Pete Montpetit, Mr. Marcel Dube and Mr. Nazaire Lessard.

Legal Locals

Marcel Lessard and his future bride Donna Baird were feted at a shower last Saturday in the Community Hall.

*** **

Mr. and Mrs. Jos L'Heureux and William Cyr spent three days in Jasper. Mr. and Mrs. Robert Knicely later joined them. On their way back they stopped to visit former Legal residents Mr. and Mrs. Gill Lassier in Edson, and Mr. and Mrs. Bert Telford in Drayton Valley.

*** **

The Legal pee wee ball team defeated Thorild last week by a score of 29-4.

*** **

The Bantam coach Robert Chauvet is taking his team to

Jasper on June 28-29 to play ball against Jasper. A number of parents are also going with the team. The group will travel by bus driven by Normand Letourneau.

*** **

A populace never rebels from passion for attack, but from impatience of suffering.

Three local teams win Challenge Cup games

Three St. Albert soccer teams advanced to the third round of Challenge Cup competition last week.

The bantams continued their high scoring, defeating Sherbrooke 6-1 in a game played at Coronation Park.

Peter Bostak and Allen Eschak each scored two goals for St. Albert and Gary Larsen and Jimmy Winters each got one.

The peewees, coached by John Alliston, had a tougher time of it, winning 1-0 over Victoria on a goal by Martin O'Keefe.

The Atoms, coached by Tony Holden and Don Hunt, also found themselves with a stiff fight on their hands but they came up with the only goal of the game, by John Mercer, to defeat Wellington.

The St. Albert Peewees

will meet Glenarry in the third round of the Challenge Cup at the Grandin pitch at 7 p.m. Friday.

It will be the last game of the spring half of the season as soccer will shut down for July and August.

Senior ball leagues affiliate

Both divisions of the North Central Senior Baseball League have affiliated with the Alberta Baseball Association.

ABA President Ron Hayter of Edmonton said each division will be permitted to advance one representative into the provincial senior playoffs. The clubs will not meet each other in

the preliminary round.

The North-Central League, comprising such teams as Legal, Vimy, Barrhead, Westlock, Linares, Mayerthorpe and Fawcett, is the biggest senior loop registered this season. Next in line is the nine-team Oilfield League, of which St. Albert Willowbrook Oilers are a member.

Bantam soccer team scores 10-0 victory

The Atoms claimed the

other victory of the week for St. Albert, winning 5-0 at Killarney.

John Mercer scored four goals and Dallas Zahara got the other.

The midget and peewee teams were not so fortunate the midgets bowing 4-2 to Ital Canadians and the peewees losing 2-1 to Glenarry.

The midgets, coached by John Dalgety, got goals from Willie Grueter and Ken Love.

Paul Collins scored the only goal for the peewees.

Pirates lose to city team

The Pirates of the Sturgeon League in the St. Albert Lions Little Canadian Baseball operation lost their second straight exhibition game to Killarney of Edmonton on Saturday.

This time, however, it wasn't even close. The Pirates went down 19-5 as five pitchers couldn't find the plate. The first game, played the week before, they lost 6-3.

Pirates pitchers gave up only five hits over the route, but walks were their undoing. Killarney had two big innings, scoring seven times in the bottom of the third and 11 times in the fourth, an inning in which they got only two hits.

Pirates at one point, led 4-0, scoring two runs in the first inning and another two in the second.

Oilers find bunts can get job done

St. Albert Oilers continued their winning ways in the Oilfield Baseball League on Sunday by defeating Calmar Angels 11-5 at Mission Park diamond.

The game at times was as rugged as a hockey contest as players bowled one another over on the bases. Richie Perrault pitched the first four innings for Oilers and Henry Hodgson finished up.

Oilers had eight hits, with Larry Mitchell poling a long homer.

In the fourth inning, however, the bunt proved to be

their big weapon. With the bases loaded they bunted three straight times to score three runs.

On Wednesday, June 18, the Oilers travelled to Leduc and played to a 5-5 tie in a game shortened to five innings by rain.

Fred Resler pitched the first two innings, giving way to Perrault in the third. Hodgson had a home run for the Oilers, who collected nine hits all told.

Oilers will be at home to Calmar Cubs tonight and will travel to Morinville for tournament games on Saturday

and Sunday. Their next home game after that will be Sunday, July 6, when they will play host to Leduc.

Oilers first game in the tournament at Morinville will be Saturday at 6 p.m. against Fawcett.

They will also be playing in a tournament at Breton on July 1st.

Walkathon to be held Saturday

The St. Albert Lions Club 10-mile Walkathon will start from Lions Park at 9 a.m. Saturday.

Proceeds from the Walkathon will be split 50-50 between CARE of Canada and community projects.

The route, which is completely within the town, will probably be walked twice by some of the more durable marchers.

Sponsorship and registration forms can be obtained from Safeway and Emery's Pipe Shop and all of the schools.

The Walkathon will coincide with the official opening of the park for the summer and the new miniature golf course.

Call him Mitchell the mover

When Larry Mitchell went about the business of playing ball this past weekend, he did it with one eye on his watch and speedometer and the other on the pitcher.

The split in his eyesight didn't seem to bother him, however, as he batted out five home runs, three of them coming Sunday in two different sports played in two different places.

Mitchell homered twice Saturday night at St. Albert Drive-In defeated Darwell 12-1 in the opening game of an eight-team fastball tournament at Barrhead.

Donning his St. Albert Oilers uniform Sunday morning, he homered as the

Oilers defeated Calmar Angels 11-5 in an Oilfield Baseball League game.

As soon as the last out was recorded, it was back behind the wheel and off to Barrhead where he arrived in time to clout a home run as St. Albert defeated Pibroch 11-2.

In the final game Mitchell, puff puff, cracked his fifth homer of the weekend but it wasn't enough as Drive-In went down 7-3 to Whitecourt.

Richard Bird pitched the opening two wins for the Drive-In. Mike Hampel took the loss against Whitecourt.

Jimmy Ure also had a homer for St. Albert, connecting against Pibroch.

Spruce Grove on top of fastball loop

St. Albert Texaco defeated Belcourt Construction 19-1 Monday. Charlie Garvis allowed only four hits. He struck out 10 batters. Losing pitcher was Jerry Desjardins.

St. Albert Drive-In won an 8-7 squeaker over Stony

Plain, scoring the winning run in the bottom of the seventh inning.

Richard Bird and Mike Hampel shared the pitching for the Drive-In.

In other games Monday Spruce Grove defeated Calahoo 12-4 and CNR downed UAPD 11-5.

Last Wednesday St. Albert Drive-In defeated St. Albert Texaco 5-3; Stony Plain defeated CNR 22-10; Spruce Grove defeated UAPD 14-8; and Calahoo defeated Belcourt 12-0.

"Please, judge," the bride broke in, "you're going to take him right out of it."

The new bathing suits are like a crime with no clues - a guy doesn't know where to begin to look.

"Whaddya mean, 'Number Please'?" said the slightly tipsy man in the payphone booth. "You got my dime. Now give me my peanuts."
